[Fifadata](#) stands as Vietnam's premier football data platform, transforming how millions of fans experience the beautiful game. Originally established as a FIFA project in 2006, this platform underwent a revolutionary transformation in mid-2025 to specifically serve the Vietnamese market—home to 65 million passionate football enthusiasts. Under the leadership of CEO Gustavo Caamano, a sports analytics expert with over 15 years of experience, [bongdaso Fifadata](#) officially launched on July 20, 2025, bringing world-class technology to Southeast Asian fans. The platform now serves 2.5 million monthly users with real-time updates from over 1,000 global leagues, combining Big Data Analytics, Artificial Intelligence, and Machine Learning to deliver insights that were previously available only to professional clubs. What sets Fifa data apart is its commitment to three core promises: 100% fastest updates (0.3-second latency), 100% accuracy (verified across multiple sources), and 100% Vietnamese localization—all delivered completely free of charge.
